April is the month we normally collect the Sustaining Membership fee for the FL Kiwanis Foundation. This is a voluntary contribution that goes toward helping children all over the FL District.

**Tell your Kiwanis Story.**  
 With so many service opportunities in April, what better time to tell your Kiwanis story. As you are approached with the question “What is Kiwanis” tell them what it means to you. We have a defining statement but it’s more meaningful when it comes from the heart. Whether it’s Pancake Days, Kidfest, or everyday life, ask someone to join the club. When they hear why you are a member, how can they resist!

**Inspirational Moments for Kiwanis**  
 Albert Einstein said:  
**“A hundred times every day, I remind myself that my inner and outer life is based on the labors of other men, living and dead, and that I must exert myself in order to give in the same measure as I have received.”** This is the same philosophy as Kiwanis, because we want to acknowledge our own blessings by giving something back to our community and the children who represent its future.

For all you trivia buffs, let’s test your Kiwanis knowledge.

**Name the location and year of the first Kiwanis club organized outside of the United States.**

Attend a meeting to find out the answer.
