Can you believe there's only 2 months left in our Kiwanis year! And what a year it has been.

There's plenty left to do before the holidays as our leadership team is looking for a few good men and women to lead us to success during our 100th Anniversary Year.

President Elect Sharon will be contacting you soon to volunteer to lead one of our existing committees and maybe start something new. Right now, we need someone to chair our Membership Team, since we cannot accomplish anything without members. Come help us grow!

Our Kiwanis District Convention is right around the corner where we'll conduct some business, have a little fun, and bring back ideas from around the state.

Our sister club in DeFuniak Springs is hosting a Golf Tournament Fundraiser on Sept 12th so let's support them and don't forget the Downs Syndrome Buddy Walk on Oct. 5th.

There will be many more activities as we approach the holidays and begin a New Kiwanis Year.

Be sure to make plans to celebrate this year with President Stefanie at our Annual Banquet on Sept. 25th at Capt. Anderson's Restaurant.

School Starts Aug 11th

Kiwanis was well represented at the Bay District Schools' Welcome Back Program on July 31st. All 3,500 school employees got to see us give away 4 wagons full of supplies for teachers.

And that means the SLP Clubs are gearing up to begin their year. Help us be a part of supporting our 13 Service Leadership Programs and attend the Satellite Meetings to share ideas with the Advisors.

Inspirational Moments for Kiwanis

US President and **Kiwanian** Calvin Coolidge said:

"No person was ever honored for what he received. Honor has been the reward for what he gave."

Kiwanians have been honored for more than 100 years for what we have given, not what we have received. "What's in it for me" isn't a Kiwanis thought.

For all you trivia buffs, let's test your Kiwanis knowledge.

In 1950 the annual Key Club Week was established. When does this occur?

Attend a meeting to find out the answer.

Did you know the answer last month? (Otchipew)
